

50	
51	Export this document as PDF in landscape-format for your application. Please make sure that the PDF-Layout is the exact same as this layout. If text is cut off in the PDF or rows are split across several pages we can not consider your application. If not readable in application - you may not reach 60 ECTS as all unreadable rows will be not considered. As a result you will receive a letter of rejection for your application. There is no reconsideration.
